# Certified Copies of Still Birth and Fetal Death Records

---

## What is the Office of Vital Records?

The Office of Vital Records (OVR) is the State Registrar for the State of California. OVR maintains a permanent, public record of every birth and death that has occurred in California since July 1905, and has more than 50 million records on file.

---

## What services are available from OVR?

- When we receive an application and the required fee for a Certificate of Still Birth, we will provide certified copies to the mother or father only.
  - When we receive an application and the required fee for a Certificate of Fetal Death, we will provide certified copies to anyone who can provide enough information to identify a specific record.
  - We do not release information contained in vital records except through certified copies.
- 

## What is the fee for a certified copy of a Certificate of Still Birth or a Certificate of Fetal Death?

- Certificate of Still Birth:     \$20  
Certificate of Fetal Death:     \$9
- Fees are nonrefundable (per state law).
- Fees are established in the California Health and Safety Code, which authorizes our office to keep the fee when it searches for a record even if no certified copy is issued. For this reason, you should provide as much information as possible so we can locate the correct record.
- If we cannot locate the record based on the information you provide, we will keep the fee (for our searching efforts) and issue a Certificate of No Public Record.
- OVR is separate from the local registrars and county recorders, so fees previously paid to those offices cannot be transferred to our office.
- Fees should be paid by check or money order made payable to the **Office of Vital Records**. International money orders for out-of-country requests should be payable in U.S. dollars.

---

**Does OVR issue free certified copies?**

- We only issue free copies to: 1) district attorneys for child support enforcement; 2) veterans for the sole purpose of establishing military benefits (if the request comes through the Veterans Administration Office; and 3) victims of crime in connection with a claim under the Victims of Crime Act.
-
